

## **BASS STRING ORDER SONG**

Look at me

I have strings that are super long

And a giant bridge

My pegs are really big, too

Even though

I kind of look like cello

When I'm gone

You will really miss

The sound I make

'Cause no one can ever play that low

What strings are on the bass?

Where we start, where we end

E - A - D - G

That's what's on my bass, you'll know

What strings are on the bass?

Where we start, where we end

E - A - D - G

That's what's there,

That's what's on my bass!

*(Ending)*

E - A - D - G

That's what's there,

That's what's on my bass!
