

Christmas Wishes

I wish you peace this Christmas,
happiness, and good cheer,
with ev'ry joy your heart can hold,
with friends and family near.

May you wake Christmas morning
into a world at peace.

May you find love this Christ~~mas
under your Christmas tree.

(start our voices from the top of the stairs)

Seasons come. Seasons go. Christmas disappears.

(start our voices from the top of the stairs)

We can keep it in our hearts, Christmas throughout the year.

Ooh.

May you find love this Christ~~~mas
under your Christmas tree (going up)
Under your Christmas (pause) tree.
