

A Bouncing Baby Bunny

A bouncing baby bunny is something you should see!
He doesn't simply jump or hop, he bounces merrily!
He bounces in the meadow. He bounces in the glen.
And when you think he's finished, he bounces again!
A bouncing baby bunny is something to be seen!
He looks like he is jumping on a bouncy trampoline!

2nd time movement

spoken solos:

Look at him go!

He's a bouncer!

Wow!

How does he do it?

sing: He bounces in the meadow. He bounces in the glen.

And when you think he's finished, he bounces again!

A bouncing baby bunny is something to be seen!

He looks like he is jumping on a bouncy trampoline!

He looks like he is jumping on a bouncy trampoline!

spoken solo: Go bunny, go!

sing: Bounce!
