

Enjoy The Show

We're here to entertain you, if you can stay awhile.
It may be slightly sentimental. We hope to see you smile.
It's time to raise the curtain, to dim the lights down low.
Time to forget about your worries and enjoy the show.

body percussion interlude

(sing):

It's time to raise the curtain, to dim the lights down low.
Time to forget about your worries and enjoy the show.
